Article 2. On motion of William L. Merrill, voted to raise and appropriate the sum of $3,650.00 to defray town charges for the ensuing year.

On motion of Donald B. Montgomery, voted that Article 8 be held in abeyance until after the noon recess.

Article 11. On motion of William H. Zeller, voted to raise and appropriate the sum of $25.00 for Memorial Day.

Article 12. On motion of Donald B. Montgomery, voted to raise and appropriate the sum of $155.00 for the support of the Library.

Article 13. Motion made by Donald B. Montgomery to raise and appropriate the sum of $215.00 for the care of cemeteries.

Amendment by John G. Pride that this appropriation be allocated as follows: For Center Cemetery, $115.00; North Cemetery, $50.00; East Cemetery, $50.00. Motion passed as amended.

Article 14. On motion of Frank E. Woodbury, voted to raise and appropriate the sum of $200.00 for re-checking of an area for White Pine Blister Rust.

Article 16. On motion of William H. Zeller, voted to authorize the selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

Article 17. On motion of Frank E. Woodbury, voted to allow a discount of 2% on taxes paid on or before the 14th day after the tax bills are mailed.

Article 18. On motion of William H. Zeller, voted to authorize the selectmen to borrow money in anticipation of taxes.

Article 19. On motion of Donald B. Montgomery, voted to pass over the article.

Article 20. On motion of Joseph E. Sowle, voted that the reports as printed be accepted.

Article 9. On motion of William L. Merrill, voted to appropriate the sum of $300 from surplus, to be expended as follows:—$200 to abolish the cattle pass at land of Warren A. Story. $100 to change road location.

On motion of William L. Merrill voted that the Polls be kept open until seven o'clock.

By consent of the meeting business was again taken up under Article 2.

Article 2. On motion of Helen A. Horner, voted to amend the budget appropriation for town hall expenses to read $1,030 and thereby increase the appropriation for town charges to read $4,180, the additional sum of $530 to be used for the purpose of installing a fire escape on the Town Hall.

Article 3. Motion made by Donald B. Montgomery to raise and appropriate the sum of $3,350 for town highways, that $250 be allocated for Joe Bernatos road. Amendment by John G. Pride to add $500 to the appropriation, this sum to be allocated to Twist Hill. Motion passed as amended.

Article 4. On motion of Iru M. Waite, voted to raise and appropriate the sum of $4,000 for Winter maintenance.

Article 5. On motion of William L. Merrill, voted to raise and appropriate the sum of $650.96 for Class V. roads to match a sum of $2,603.84.

That this sum be spent on roads that are now tarred and ready to tar, any balance left over from this amount to be expended on T.R.A. roads, namely—South Dunbarton and Bow Roads.

Article 6. On motion of Frank E. Woodbury, voted to raise and appropriate the sum of $1,700 for town poor and old age assistance.

Article 7. By consent of the meeting, business was again taken up under Article 2.

Article. 2. Motion made by Donald B. Montgomery to amend the appropriation made for town charges to read $5,180, that $1,000 of this money be expended for the continuance of the building of the Town Garage.

Amendment by Z Robert Strope, that the reading of the motion shall be changed, to complete instead of continuance. Motion passed as amended.

Article 8. No action taken.

DUNBARTON VOLUNTEER FIRE DEPARTMENT

Responded to a total of 14 alarms of Fire during the past year as follows:

5 Chimney, cause; not clean, no damage.

1 Grass, caused by burning rubbish, no damage.

4 Oil burners, caused by flooding, one of which entailed a loss of $100.00 which was covered by insurance.

1 Outhouse, destroyed, caused by careless smoker.

1 Abandoned Icehouse, destroyed, cause unknown, damage of $100.00 to Church by exposure.

1 House and Barn plus contents, cause unknown,

Value of property and contents	$9,470.00
Insurance paid	5,675.00
Loss not covered by insurance	$3,795.00

A clean chimney does not get afire.

Every user of an oil burner should have at least one first aid Fire Extinguisher on hand, preferably a vaporizing liquid type, foam or carbon dioxide, with everyone in the household familiar with its operation.

Good housekeeping and care with matches, engines, fuel, electrical appliances of all kinds will pay in reduced fire losses.

LYMAN H. NUTT,
Chief.

REPORT OF THE FOREST FIRE WARDEN

Our forest fire record for 1946 was perfect, let's keep it the same for 1947.

Be careful when burning, have some water handy before starting, an old broom is very useful in keeping a fire from spreading.

Don't burn when the ground is dry enough for a fire to run, try to do your burning after four P. M. on still days.

Always get a permit before starting a fire; sign both copies, return the blue copy at once to your Fire Warden. They have to be sent to the District Fire Chief on the 15th and 30th of each month.

WILLIAM L. MERRILL,
Forest Fire Warden.

HELP YOUR FOREST FIRE WARDEN PREVENT FIRES—IT PAYS!

Prevention is one of the most important phases of all fire effort. This is particularly true of forest fire control work. Preventing forest fires preserves valuable forest growth and other property, conserves man power and permits their use in productive channels, saxes taxpayers' money and conserves fire fighting equipment.

The prevention of forest fires is the most important and difficult part of the work of your forest fire warden who

heads a local organization set up primarily for the security of your community's forest property. Appointed by the State Forester, upon recommendation of the Selectmen, he is charged by law with the responsibility of local administration of forest fire laws, fire prevention and suppression. In his work he is aided by deputy forest fire wardens who, in emergency, may assume his power and authority. The warden is guided in his work by instructions received from the State Forester and by the District Fire Chief who represents the State Forester.

The importance and value of the work of the forest fire warden and his deputies is, perhaps, best appreciated during hazardous periods when fire danger is greatest. The public, however, looks to him at all times for speedy and economical suppression of going fires.

To properly fulfill his mission, the warden needs the generous and understanding cooperation of the public at large. He attempts to secure this cooperation by the posting of caution notices, news items and by word of mouth, always carefully explaining the necessity of restrictions imposed. In the matter of giving cooperation, however, the public often fails. The record shows that an average of 7,300 acres of woodland are burned over by forest fires in New Hampshire each year. Analysis of fire causes reveal the fact that more than 98 percent of all forest fires are, consistently, the result of human carelessness and are preventable.

The careless smoker fails to properly extinguish his cigar, cigarette or pipe ashes or thoughtlessly throws them from the car window; the debris burner fails or refuses to consult the warden, as the law requires when the ground is not covered with snow, before attempting to burn; campers fail to properly extinguish their fires or frequently build fires when conditions are unfavorable.

The elimination of human causes from the forest fire problem is the answer. This is not as difficult of accomplishment as it might appear at first glance. Let each one who reads this—

1. Use ordinary common sense with fire in and near woodland.

2. Comply with requirements on the use of fire in and near woodland and when the ground is not covered with snow, secure written permission to burn from the forest fire warden.

3. Be careful when smoking in or near woodlands. Don't throw lighted material from moving vehicles.

4. Cooperate with and assist the warden and urge others to do so.

5. HELP YOUR FOREST FIRE WARDEN PREVENT FIRES—his efforts are only as effective as is the cooperation you give him!

THOS. J. KING,
District Fire Chief.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School District of Dunbarton:

I hereby submit my annual report as Superintendent of Schools.

The current school year opened with two changes in our teaching staff. Mrs. Marion Hayes, who previously taught in Farmington and New Boston, was engaged as teacher of the primary room at the Center, and Mrs. Elizabeth Fottler of Weare, formerly a teacher in Claremont, took over the grammar room at the same school. These two teachers replaced Mrs. Marion Dearborn and Mrs. Ruth Arnold, both of Concord, who came to us in the spring of 1946 and completed that school year. Miss Sarah Ames returned to the Montalona School.

The situation at the Center School has been very satisfactory during the past year. Mrs. Dearborn and Mrs. Arnold, together with Mrs. Hayes and Mrs. Fottler, have given us a healthy school atmosphere. The increased appropriation for teachers' salaries made at the district meeting last spring has certainly paid dividends, and the policy should be continued if we are to have effective teaching.

Miss Ames has continued her fine work at Montalona. She has been handicapped by an unforeseen increase in scholars. As you will note from the statistics attached to this report, the number of pupils at this time is more than double the number enrolled last year. Twenty-nine youngsters (at the present writing) in a small room is indeed a problem to challenge any teacher in an eight-grade room.

With the cooperation of the Women's Club of Dunbarton we have been able to institute a noon lunch program in our schools. At the Center School the Federal Program has been set up, with Mrs. Annie Delude preparing the meals. With but limited facilities at Montalona the noon lunch program had to be carried on in a less pretentious manner.

Through funds made available to New Hampshire schools by the Federal Government, we were able to purchase dishes and equipment at small cost to the district. Such reimbursement, together with an allowance of 9c per meal per child, has made it possible to carry on a worthwhile noon lunch program. It is my sincere hope that it will be possible to again carry on the program next year during the winter months.

The annual estimated budget prepared by the school board for the consideration of the district at the annual meeting shows an increase in two items,—teachers' salaries and tuition for high school pupils. The former is obviously necessary if schools such as ours are to continue to properly educate children of Dunbarton. The teacher problem is still acute. Not only is the supply of teachers inadequate to meet the demands of the schools of the state, but the number of trainees in our teacher-training institutions is insufficient to meet the annual turnover in the schools. Just as long as industry continues to pay current wages, the supply of teachers will continue to be insufficient to attract potential teachers and, particularly in the case of Dunbarton, to retain present teachers, high salaries for teachers must be forthcoming. If districts fail to recognize this fact, the quality of teaching in our schools will decrease, and the children of our towns will be the sole losers.

The increased amount for high school tuition called for in the school board's budget is necessitated by not only an increased number of secondary pupils, but also by increased tuition charges. The present rate of tuition in neighboring high schools is approximately $125 (the average of the state), while two years ago the costs were $100.

In closing I should like to express to the School Board, the teachers, and the townspeople of Dunbarton my appreciation of their cooperation and support in our joint efforts to give the children of this town the adequate schooling to which they are entitled.

Respectfully submitted,

LEWIS F. FOOTE,

Feb. 2, 1947

REPORT OF SCHOOL NURSE

The school nurse submits the following report for the school year September, 1945 through December 1946.

About eighty-five pupils were weighed, measured and examined in September, the beginning of the school year. The following report shows the number of children affected at that time:

Defective vision, 5. Number of defects corrected 3.

Defective teeth 50. Number of defects corrected 22.

Diseased tonsils 7. Number of defects corrected 0.

A toxoid clinic, an immunizing treatment for diphtheria was given Dec. 18, 1945. Seventeen school children, those from the first through the fourth grade, and seven pre-school children received the treatment. On March 19, 1946, eleven school children had their second treatment.

The Patch test was given March 15, 1946 to forty-four pupils. These tests are for the purpose of finding children who may be presenting early symptoms and signs of tuberculosis. Should there be a positive reaction to the test, it should be followed by a chest X-ray in order that prompt treatment may be prescribed. We are to give the Patch test again in January to those who were not in school to take it last year.

All the Dunbarton school children are enjoying a hot noon day lunch this year.

EDITH G. WALKER,
School Nurse.
